

**February 02, 2026: And further recording of the ongoing abuse we suffer from the President**

A car with a buzzing engine noise drove (vrrrrrrrrrrrrrrrrrrrrrrr) near our house the entire time the previous file spent uploading.

This is my life. This is what my government chose to do with our tax dollars as we tried to better ourselves inside of our own home.

Oh, and by the way - you Militurds salute and protect that piece of shit.
